

Horizon2Horizon Photography - Print Price Sheet

January 2013

- Notes:
- Custom sizes, coloured border, dedications, etc are available at additional cost.
 - Prices are for professionally printed, laminated, mounted images with printed black border.
 - Mounting material is 3mm Sintra; denser and more durable than foam core.
 - Optional frame is a matte black aluminum, clean and simple profile.
 - Optional glass can be regular or non-glare. Pick up required - we do not ship orders with glass.
 - If we do not have the print in stock, we will need to add on the shipping charge that our printer charges.
 - Shipping and handling for those orders not being picked up is extra.
